Gradual Entry Schedule

To ease the transition into a new school year, during the beginning weeks, classes will operate on a gradual entrance schedule. Over the years, we have found that allowing the younger children to ease into school greatly benefited them. They were less anxious, shed fewer tears and were noticeably stronger when it came to working through separation issues. Although it may be difficult with respect to scheduling, we want our children to have a successful beginning of the school year.

Please refer to the **Gradual Entry Schedule on the other side of this page.**

If you feel that your child would benefit from visiting Good Shepherd before the school year starts, please know that you are welcome to do so. Please bear in mind that your child's classroom is a work in progress until school begins. The teachers and staff are in and out the last two weeks of August, so please call or email before you come. We look forward to welcoming you and your child to Good Shepherd School.
